

TRI COUNTY DRIVING SCHOOL

Appleton Driver Education / 6 & 6 Program

Thank You for your recent inquiry concerning our teenage driver education program. TRI COUNTY DRIVING SCHOOL INC. is state approved for driver education training. Also TRI COUNTY DRIVING SCHOOL INC. is a member of the BETTER BUSINESS BUREAU. Our instructors are all licensed driving instructors and many have degrees in Driver Education. We are insured with American Family Insurance for over one million dollars, which exceeds the minimum requirements.

Driving times are available for your teen year-round. If you have already successfully completed the state requirements for the in person classroom (theory) part of the program, you will only need 12 hours of in-car training. The standard behind the wheel program consists of 6 hours of driving and 6 hours of observation. These are the minimum hours needed to meet states requirements. The cost of the program is \$295.00. We also offer additional lessons at \$55.00 an hour.
